### **Give Your Child the Run-Around**

Running Club will start this TUESDAY, September 20th, and will meet every Tuesday and Thursday (except for conference weeks, school holidays and on rainy days). If your child is trying Running Club for the first time, just have them come to the lunch tables right after school gets out. We have a 1/8 mile course mapped out on the blacktop and students can run or walk as many laps as they want. We encourage all Running Club members to run or walk at least a marathon over the course of the year (which will earn them a t-shirt), but we welcome everyone-- from the student who walks one lap to the student who can beat our school record of over 200 miles! All running club participants must complete a permission form. Forms are available in the office and can be returned to the office or brought directly to Running Club. We have a very small group of dedicated parent volunteers and need more to keep this club going! Please come out and talk to one of the parent volunteers if you can help.

### **A Treat for You is a Treat for MME**

PinkBerry Yogurt will be donating 20% of eligible sales from 11 a.m. to 11 p.m. on Thursday, September 22nd to the MME PTA. Get a copy of the flyer (at the office or download a copy from [www.mmepta.org](http://www.mmepta.org)) then visit them at 500 1st Street Suite 5, in the Davis Commons for your sweet treat with benefits.

### **Winning Isn't Everything, But it Pays Well!**

Pat yourselves on the back. Thanks to everyone's obsessive voting, MME should be in 20<sup>th</sup> place in the Avery contest, winning us 5,000 box tops! The winners will officially be announced on September 27<sup>th</sup>. The real question is whether or not this counts toward our box top annual goal of \$1,200...

### **Celebrate Columbus Day on Two Wheels**

On Wednesday October 12th after school, the Davis Bicycles! School Committee will host a Bike Rodeo on the MME playground. Students will be able to get their helmets adjusted and participate in a Bike Obstacle Course and the Slow Race. Volunteers will be on hand to check the condition of their bikes and offer minor maintenance fixes and tips to the students and parents. Please note: additional volunteers would be appreciated to help with setup, take-down, and general traffic control (anywhere from noon till 3pm)--please email Kevin at [inari\\_zushi@yahoo.com](mailto:inari_zushi@yahoo.com) if you can donate some time!

### **The Next Steve Jobs or Ada Lovelace is Out There**

The Unprecedented Math Night and Computer Lab Grand Re-opening will be Thursday, September 29th. Enjoy a night of math games with your friends while you are there check out the newly upgraded computer lab. There will be a grand re-opening and ribbon cutting. Cheers to the Tip-Top Technology Committee for making this happen. Funding for this project came from the "fund-an- item" at last year's MME Auction and the PTA budget.

### **Pony Express and Round-Up Contact**

If you have items to submit for either the weekly (Pony Express) or monthly (Round-Up) newsletter, please email them to [mmenewsletter@gmail.com](mailto:mmenewsletter@gmail.com)
